## Table of contents

### **Created variables**

S0_MRV: Where did you hear about this study? .....	6
----------------------------------------------------	---

### **Questions**

S1: Part One:Are you 18 years or older? .....	7
S2: Are you a Wyoming resident? .....	8
S3: In which county in Wyoming do you currently reside? .....	9

### **Demographics**

D1_COMB_CV: Age .....	10
D2: What gender were you assigned at birth? .....	11
D3: What is your current gender identity? .....	12
D4: What is your sexual orientation? .....	13
D5_MRV: Race .....	14
D6: Are you of Hispanic, Latino, or Spanish origin? .....	15
D7: What is the highest level of education you have completed? .....	16
D8: What was your approximate annual income for 2020? .....	17

### **Created variables**

Q1_MRV: When you last saw a medical provider, did they talk about any of the following? .....	18
-----------------------------------------------------------------------------------------------	----

### **Questions**

Q1A: Is your Primary Care Provider (PCP) located in the same county as you? .....	19
Q1B_1: In which county is your Primary Care Provider (PCP) located? .....	20
Q2: Have you ever been diagnosed with any type of mental health disorder? .....	21
Q3: At any point in your life, have you ever felt like you might want to harm yourself? .....	22
Q4: How long ago was the last time you felt you might harm yourself? .....	23

### **Created variables**

Q5_MRV: To the best of your knowledge, can HIV, hepatitis, and/or STIs be transmitted by.....	24
Q6_MRV: To the best of your knowledge, can STI infections occur in which of the following places? .....	25

### **Questions**

Q7: Have you engaged in any type of sexual contact with another person in your lifetime? .....	26
------------------------------------------------------------------------------------------------	----

### **Created variables**

Q8_MRV: Have you ever asked your sexual contact partner(s) any of the following to prevent exposure to STIs? .....	27
Q9_MRV: Has a sexual contact partner ever asked you to use any of the following to prevent exposure to STIs? .....	28

### **Questions**

Q11: Do you use online dating sites or apps to find partners for romantic relationships and/or sexual contact? .....	29
Q12: Do you ever meet in person with potential partner(s) you met on these online sites or apps? .....	30

Q13A: Are you currently sexually active? .....	31
Q13B: Which option best describes how often you use condoms to prevent STIs? .....	32
Q14: Do you have access to condoms to prevent STIs? .....	33
Q15: Have you heard of the KnoWyo program? .....	34
Q16: Do you know how to get free condoms from the KnoWyo program? .....	35
Q17: Do you know how to access low or no-cost STI testing through the KnoWyo program? .....	36
Q18: Have you been tested for STIs since your last sexual partner? .....	37
Q19: Have you heard of three-site testing for STIs? .....	38
Q20: Of these activities, which is the most likely to transmit HIV? .....	39
Q21A: How much do you agree or disagree with the following statement?"I would feel safe having sex with someone who is HIV-positive as long as they are receiving treatment and have reduced their viral load to a point where it is undetectable." Do you.....	40
Q21B: How much do you agree or disagree with the following statement?"I believe that HIV treatment makes people less likely to transmit the HIV virus." Do you.....	41
Q22: Have you heard of PrEP (Pre-Exposure Prophylaxis) for HIV prevention? .....	42
Q23: Have you heard of the W(h)Y PrEP Matters program? .....	43
Q24A: HIV-negative people sometimes take PrEP to prevent getting HIV in case they have sex with a person living with HIV. To be effective you have to take PrEP every day. Do you currently take PrEP? .....	44
Q24B: About how long have you been taking PrEP? .....	45
Q24C: During the past year, have you missed or temporarily stopped taking your PrEP for any reason? .....	46
Q24D: Do you intend to continue taking PrEP over the next 12 months? .....	47
Q24E: Have you ever taken PrEP? .....	48
<b><u>Created variables</u></b>	
Q25_MRV: If you wanted to take PrEP and didn't, did any of the following prevent you from taking PrEP? .....	49
<b><u>Questions</u></b>	
Q26: If taken as prescribed, how effective is PrEP at preventing HIV infection? .....	50
Q27: Have you heard of PEP (Post-Exposure Prophylaxis) for HIV prevention? .....	51
Q28: Have you ever taken PEP? .....	52
<b><u>Created variables</u></b>	
Q29_MRV: If you wanted to take PEP and didn't, did any of the following prevent you taking PEP? .....	53
<b><u>Questions</u></b>	
Q30: Have you heard or read anything about the expression U=U? .....	54
Q31: What does U=U mean? .....	55
Q32: What do you think U=U means? .....	56
<b><u>Created variables</u></b>	
Q33_CV_COMB: At any time in your life, have you been tested for HIV? .....	57
<b><u>Questions</u></b>	
Q33A: What was the result of your most recent HIV test? .....	58

**Created variables**

Q34\_RGV\_UPD: Times tested for HIV (update).....59

**Questions**

Q35: How long ago did you have your last HIV test?.....60

**Created variables**

Q36\_CV\_UPD: If you wanted to get tested for HIV over the next few months would you know where to go to get an HIV test?.....61

**Uncategorized Variables**

END\_PART\_ONE: Thank you for completing part one! If you choose to continue completing the survey and joining our panel, you will receive a \$5 gift card incentive within 1-2 business days of completion. Would you like to continue?.....62

**Created variables**

Q37A\_CV\_COMB: Do you currently use any nicotine products?.....63

Q37B\_MRV\_UPD: Which of the following nicotine products do you currently use?.....64

**Questions**

Q38: Do you currently drink alcohol?.....65

Q39: About how many alcoholic drinks do you drink in one month?.....66

Q40: In your lifetime, have you ever used recreational drugs?.....67

Q41: Have you used any recreational drugs, even once, in the last 6 months?.....68

**Created variables**

Q42\_MRV: Have you used any of the following recreational drugs in the last six months?.....69

Q43\_MRV: How have you used recreational drugs in the past six months?.....70

**Questions**

Q44: Since the last time you snorted or injected recreational drugs have you been tested for HIV and hepatitis?.....71

Q45: Do you know how to access sterile equipment for injection drug use?.....72

Q46: Do you know how to safely dispose of injection drug use equipment?.....73

Q47: Have you taken medication prescribed to you more often than it is prescribed?.....74

Q48: Do you know how to prevent opioid overdose with prescription and recreational opioid use?.....75

**Created variables**

Q49\_CV\_UPD: How comfortable are YOU talking to your medical provider about your sexual health?.....76

Q50\_CV\_UPD: How comfortable would you say your MEDICAL PROVIDER is talking to you about your sexual health?.....77

**Questions**

Q51B: In your opinion, who should be taking PrEP?.....78

**Created variables**

Q51C\_MRV: What do you see as the major reasons that an HIV-negative man might want to take PrEP?.....79

**Questions**

Q53A: If you wanted to take PrEP, do you know where to find it?.....80

Q53B: Have you ever tried to have PrEP prescribed?.....81

**Created variables**

Q53C\_RGV: How welcoming were the employees (front desk staff, nurses, doctors, etc....) of the location you tried to get PrEP prescribed? . . . . . 82  
Q53D\_RGV: How knowledgeable were the employees (front desk staff, nurses, doctors, etc....) of the location you tried to get PrEP prescribed? . . . . . 83

**Questions**

Q54: Have you heard or read anything about treatments for HIV that can reduce a person's viral load to a point where it cannot be measured? . . . . . 84

**Created variables**

Q55A\_1\_RGV: "An HIV-positive person with an undetectable viral load cannot sexually transmit HIV to an HIV-negative partner." . . . . . 85  
Q55A\_2\_RGV: "There are treatments for people who are HIV-positive that can reduce their viral load to an undetectable level." . . . . . 86  
Q55A\_3\_RGV: "There are treatments for people who are HIV-negative that can help prevent transmission of HIV even if they are exposed through sexual activity." . . . . . 87  
Q55B\_1\_RGV: U=U means Undetectable equals Untransmittable. That means that a person who is HIV-positive with an undetectable viral load cannot transmit HIV sexually to someone who is HIV-negative. How believable do you think this statement is? . . . . . 88

**Questions**

Q55C: Do you think most other men like you in Wyoming would believe this statement or not? . . . . . 89

**Created variables**

Q52A\_RGV: Please rate the likelihood that the HIV-negative man could get HIV from the HIV-positive man: Undetectable (HIV+) and NOT on PrEP (HIV-) 90  
Q52B\_RGV: Please rate the likelihood that the HIV-negative man could get HIV from the HIV-positive man: DETECTABLE (HIV+) and NOT on PrEP (HIV-) .91  
Q52C\_RGV: Please rate the likelihood that the HIV-negative man could get HIV from the HIV-positive man: DETECTABLE (HIV+) and ON PrEP (HIV-) . . . . 92  
Q52D\_RGV: Please rate the likelihood that the HIV-negative man could get HIV from the HIV-positive man: UNDETECTABLE (HIV+) and ON PrEP (HIV-) . 93  
Q56\_MRV: Since January 1, 2020, have you done any of the following to limit your exposure to COVID-19? . . . . . 94  
Q57\_MRV: Have you asked your sexual contact partner(s) any of the following to limit your exposure to COVID-19? . . . . . 95  
Q58\_MRV: Has a sexual partner(s) asked you any of the following to limit your exposure to COVID-19? . . . . . 96

**Questions**

Q59: At any point in the last 18 months, were you ever diagnosed with COVID-19? . . . . . 97  
Q60: Did you ever think you had COVID-19? . . . . . 98  
Q61: Have you ever been vaccinated for COVID-19? Even if you have only had one shot, please select Yes. . . . . 99  
Q61A: Which vaccine did you get? . . . . . 100  
Q61B: Have you received one or two shots? . . . . . 101  
Q61C: When did you get your last shot? . . . . . 102  
Q62: Are you planning to be vaccinated? . . . . . 103  
Q62A: When do you expect to get your first vaccination shot? . . . . . 104

**Created variables**

Q62B\_MRV: Reasons why someone may not yet been able to get vaccinated . . . . . 105  
Q62C\_MRV: Reasons for why someone might not plan to get vaccinated . . . . . 106  
Q63A\_MRV: Reasons for either getting or planning to get vaccinated . . . . . 107
